I'm currently doing my Cache Level 3 from AETC Training Center.

I was quite nervous when I started but I must say that I'm having a wonderful experience. Special thanks to Zeina, Lana, Aya, Razan and Maya for their unwavering support and assistance always regarding any query.

I would also like to mention that Ms. Kinda is an amazing assessor, always supports and makes the learning experience enjoyable.

So glad to have found such a remarkable training center. Thank you AETC
