PROGRAMME GUIDE

CACHE Level 5 Diploma in Leadership

Develop your ability to lead teams, improve practice and manage children and young people's services.

> **Fee: AED 10,500 · AETC programme duration: 1 year**

About the programme

Connect leadership knowledge with the responsibilities of managers and deputy managers in children and young people's services. AETC's plan includes twenty selected units covering teams, policies, safeguarding, quality, partnerships and professional development.

Who is this programme for?

- Managers and deputy managers in children and young people's services.
- Learners who hold, or can carry out, appropriate management responsibilities during study.
- Practitioners developing leadership, team management and quality responsibilities.

What will you develop?

- Lead teams and support professional development and supervision.
- Understand policies, safeguarding, health and safety and risk management.
- Work in partnership, strengthen communication and respond to concerns.
- Develop quality, equality, inclusion and positive outcomes for children.
- Connect research and professional development with management responsibilities.

Twenty units in the AETC plan

1. A service-related research project

Research connected with care or children and young people's services.

2. Communication systems

Use and develop systems supporting communication.
