PROGRAMME GUIDE

NCFE CACHE Level 2 Certificate in Supporting Teaching and Learning

Qualification Number (QN): 603/2476/4

Build the knowledge and practical skills to support children and young people aged five and above in schools and colleges.

> **Fee: AED 4,300 | AETC plan: 3 months with 80 hours of practical training**

About the qualification

Connect knowledge with practice in roles supporting learning in primary, secondary and special schools, as well as colleges. Study children and young people's development, safeguarding, professional relationships, communication and positive behaviour in a learning environment.

Who is it for?

- Teaching assistants and staff working in school or college learning-support roles.
- Learners developing their practice with access to work or practical placement in a school or college during study.

Study and practical experience

- AETC's current plan: 3 months, including 80 hours of practical training alongside study.
- Total Qualification Time (TQT): 321 hours, including 225 Guided Learning Hours (GLH); 32 credits and 11 mandatory units.
- The centre's practical-training hours are separate from the GLH and TQT figures and are not the total time for the qualification.
- Learners need to be working or on practical placement in a school or college throughout the programme to demonstrate knowledge and skills in practice.

Age and assessment

The NCFE minimum learner age is 16. Internal assessment uses evidence of knowledge and practical skills and may include workplace observation, written assignments and professional discussion. Assessment and its evidence are in English in line with the qualification specification.

The eleven mandatory units

- Schools and colleges as organisations.
- Children and young people's development.
- Safeguarding children and young people.
- Equality, diversity and inclusion in learning.
- Maintaining relationships with children and young people.
- Supporting children and young people's health and safety.
- Supporting positive behaviour in a learning environment.
- Contributing to teamwork in a learning environment.
- Children and young people's play and leisure.
- Promoting an effective learning environment.
- Preparing displays in a learning environment.

What will you develop?

- Understand development, its influences and the support worker's role in learning.
- Build professional relationships and communication, contributing to a safe and inclusive environment.
- Connect safeguarding, positive behaviour and teamwork with day-to-day practice.
