PROGRAMME GUIDE

CACHE Level 3 SENCo Award

Develop your role in coordinating support for children and families in early years settings.

> **Fee: AED 4,300 · AETC programme duration: 3 months**

About the programme

Study the special educational needs coordinator role in early years settings. Explore the coordinator's responsibilities and approaches to supporting children and families through cooperation and inclusive practice.

Who is this programme for?

- Early years practitioners already carrying out a SENCo role.
- Practitioners interested in taking on this role in early years settings.
- Childminders developing their understanding of coordinated support.

What will you develop?

- Understand the SENCo's role and responsibilities in early years.
- Explore strategies for supporting children and families.
- Connect coordinated support with communication, partnership and inclusive practice.

Two qualification units

1. The SENCo role and responsibilities in early years settings.

2. Strategies and techniques for supporting children and families.

Study and practice

- AETC delivers the programme over three months.
- 34 total qualification hours, including 24 guided learning hours.

Assessment

- Successfully complete both mandatory units.
- An internally assessed portfolio of evidence, with external quality assurance by NCFE.

Entry requirements

- Learners must be at least 16.
- A previous Level 2 qualification may be helpful.
